

**LIVING THROUGH THE END OF LIFE**  
**Southern Arizona Senior Pride**  
**Brought to you by Interfaith Community Services and Partners**

What do you value in life?  
How would you wish to live as your life draws to a close?  
What legacy, material and spiritual, would you like to leave your loved ones and the world?  
What plans can you put in place now to help honor your values and wishes and legacy?

The LGBTQI Community is invited for a free workshop on planning for our end-of-life care, taking care of our estate, the documents needed to record our wishes, and expressing our wishes to loved ones. There will be time to work on our advance healthcare directives (healthcare power of attorney, living will).

Date: **Saturday, June 3, 2017**

Time: **1:00 – 3:30 p.m.**

Place: **Cornerstone Fellowship**  
**2902 N. Geronimo**  
**Tucson, AZ 85705**
