

# SOUTHERN ARIZONA SENIOR PRIDE

Celebrating, Supporting, and Uniting LGBTQI+ Older Adults

## Which half are you?

ONE HALF  
of all people

become incapacitated  
at some time in their lives  
and are thus unable to  
make their own medical decisions...

*Only two out of five people have taken the steps  
to ensure their care decisions will be honored.*

*Into which group do you fall?*

The Southern Arizona Senior Pride **Honoring A Life** workshop can provide you with information and guidance as you decide what care you want if you are medically incapacitated for any reason.

- *Have you thought about your Advance Medical Care wishes?*
- *Would you like to take the next step in making those wishes into directives?*
- *Would you like help choosing someone who can represent you if you cannot represent yourself?*

**If you answered “YES” to any or all of these questions, “CLICK” here by **February 23, 2022** for our next Honoring A Life workshop**

**From 2:00 to 4:00 on Thursday, March 3, 2022.**
